Family Centre Housekeeping

-Parking for the Family Centre is to the left of the street, along the big brick wall or you can use the street. Our doors are located to the right of the street, off the staff parking lot. There is a doorbell up on the right hand side for our room.

-Jackets and outdoor shoes can be left at the coat rack at these doors.

-If you or your child are feeling unwell, it is recommended to stay home until you are feeling better. We are trying to keep illness to a minimum.

-Indoor shoes are recommened for the Family Centre especially for Gym days.

-We love to do fun and messy activities sometimes. Please keep that in mind when attending the centre. Smocks are available if needed.
