Hastings Family Centre Digital Newsletter June 2020

June is here!

We all deserve a big pat on the back because we have made it to June together! Thank you to all the families who have stayed connected and participated in our online learning community since our closure in March.

If you are seeing this online and would like to be added to our monthly email subscription, please contact Robyn at robyn.brown@lrsc.net 😊

Lending Library

If you still have books checked out from our lending library please contact Robyn at robyn.brown@lrsc.net to make arrangements to return your books by June 19th. We will be cataloguing everything for the summer and have a list of new books on order for the fall for our families to enjoy- we can't wait to share them with you!

Manitoba Museum online

The Manitoba Museum is continuing to offer free programming online during their closure, and have lots of fun activities and viewing experiences coming up this month- including a Planetarium watch party, Museum secrets, colouring pages and more!

Please visit <https://manitobamuseum.ca/main/visit/manitobamuseumhome/> to see the schedule and find out more details on what's coming up.

Let's keep in touch!

If you are a parent needing support, connection with resources or just a check-in/chat, please contact us via email any time between 9:00-3:30, Monday to Friday.

Our last day for Family Centre remote access will be Tuesday, June 30th as we close for the summer months. We look forward to seeing you in September, and wish you a wonderful break with your families!
