Welcome to March and hopefully soon spring! Archwood School continues to be buzzing with fun and educational activities for our students and their families.

February was a very busy month at Archwood School. We had a whole school Festival du Voyageur Day on February 19<sup>th</sup> when our students had a great day learning to play the spoons, jig dance, play voyageur games, learn about the fur trade and munch on some yummy bannock. We had a great "week of kindness" from February 24-28<sup>th</sup>. We looked for and demonstrated kindness all over our school and community. It is amazing to see what a big family our school really is and what a good job we do taking care of each other!

Basketball season at Archwood School is wrapping up and our students have made us so proud. They have really come together as a team and greatly improved their basketball skills. A special thank you to our volunteer coaches who have spent so much time with our athletes and shared with them their passion for basketball which has transferred to our students who are now sharing their love of the game!

Report cards will be sent home on Friday, March 6<sup>th</sup> and parent conferences will be held on Thursday, March 12<sup>th</sup>. Please book a time to meet with your child's teacher using Conference Manager. If you need any assistance, booking an appointment please give us a call in the office and we will be happy to assist. We look forward to seeing all our students and their parents on March 12<sup>th</sup>.

An important parent information evening will be held on March 17<sup>th</sup> at 6:30. The Winnipeg Police Service will be sharing information about online safety and how to keep our children safe. More information will be coming home soon and we will be asking parents to RSVP to indicate their attendance.

We have many more exciting activities planned for Archwood School over the next few months! As always, please be in touch if you have any questions or concerns.

All the best,

Karen Duffield

Please look for the following icon on our school website at <https://www.lrsd.net/schools/Archwood> and book your appointment as soon as possible.

Please use the following as your user name and password.

# Bright Minds Program

Children learn through discovering their world, in a safe, loving environment and through hands on exploration and social interactions.

Bright Minds Program is designed to promote independence and social skills that will foster learning experiences and self confidence in each child.

Our Program is geared towards teaching children about sharing, taking turns and respecting each other. We will assist children to develop their gross motor skills by engaging them in activities that requires running, jumping and climbing. Fine motor skills are also a focus point where children are engaged in tracing, coloring and cutting.

Children will be encouraged to use their words to show emotions to foster a good relationship with adults and their peers. We work on developing children's cognitive skills by providing age appropriate activities that will allow them to organize, remember and or recite information.

Literacy and numeracy recognition are practiced while working with our weekly themes that encourages play based learning. Children will be engaged in letters, numbers, colors and shapes recognition. Circle Time is a daily activity that encourages children to express themselves through discussions on their environment and participating in nursery rhymes etc. This promotes age appropriate language skills that allows them to communicate verbally.

Bright Minds Program through Archwood School will provide a safe and nurturing environment where children's natural desire to learn is stimulated through meaningful appropriate and fun filled experiences from a diverse, energetic and capable staff.

We create experiences to meet the needs of each child as an individual and encourage emotional, physical, intellectual and social growth while learning through play. Learning is **FUN**, and we are confident that we can provide the guidance and care your child needs to move on to the next phase of their lives. Remember, **"The End Depends on the Beginning."**

# Reminders from the Office....

## Late Slips...

Please remind your child(ren) that when they come to the school late in the morning or in the afternoon to stop by the office and pick up a late slip. Attendance is done electronically by the teacher, when students arrive late they have already been marked absent. In coming to the office for a late slip, the office staff will ensure that this is adjusted to be late and no phone calls home will be done.

Thank you.

## Emergencies/Sickness at school....

In case of emergencies (when a child becomes ill or is seriously hurt), the school will contact the parents at home or on their cell phone.

For this purpose, please advise the school as soon as possible of any changes in your home, work or cell phone numbers. If you wish to communicate an urgent message to your child, please contact the office, however, we ask your cooperation in limiting these requests to essential matters.

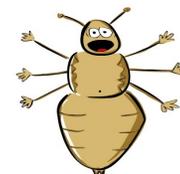

Thank you

## Lice....

**As you may be aware, head lice is a common reoccurring problem particularly when large numbers of children are together (schools, clubs, daycares). When the school learns of a case of head lice, parents of the class are notified by letter and given information about checking and treatment. If your child had been infected with lice we ask that you please contact the school office to let us know in order to insure that all precautions are being taken. If the school office knows early, we can let other families know to prevent the spread.**

**Thank you

## School Bus Protocol:

Any student in Kindergarten to Grade 3 MUST be met at their bus stop by a parent/guardian (unless there is an older sibling on the bus with them to walk home with). If there is no one at the stop when the bus arrives, the student will not be let off the bus and will be returned to the school to be picked up from there. Thank you, Admin
