About Us

Welcome to St George Family Centre. We are located in Room 12 in St George School. We offer parent and child programming throughout the school year. You can bring your child (birth to 5 years old) for free play, art activities, songs & stories, movement activities and much more! We offer a welcoming space to meet other parents and caregivers. A healthy snack is also provided. All programming is free.

Little Learners Preschool Program

Is your child starting Kindergarten next year? We will be offering a play-based ready for school program, which focuses on skills to help prepare children who are entering Kindergarten.

This program is for children who were born in 2019, and will be starting Kindergarten at St George School, in September 2024. Little Learners is a free registered program that will start in April 2024 and will run until the beginning of June, for two half days per week. For more information, please contact the Family Centre.
