OCTOBER 2024

How to cook a Pumpkin

How do I cook that? How would I eat it?
We are going to show you just how easy it is to cook a pumpkin, and make some pumpkin pancakes for snack. Pumpkins can be super affordable in the fall in Manitoba...and they are super tasty!! Join us to learn something new.

Manitoba car seat laws

1 Rear-facing child car seat Use a rear-facing car seat from birth until your child reaches the maximum weight or height limit listed on their car seat. Some seats are made for children up to 20 kg (45 lb.). Keep your child rear-facing as long as possible. Don't switch too soon as your child's head and neck are still developing..

2 Forward-facing child car seat Use a forward-facing car seat until your child reaches the maximum weight or height limit listed on their car seat. Some seats are made for children up to 30 kg (65 lb.)

3 Booster seat Use a booster seat once your child reaches the maximum weight or height limit listed on their car seat. Provincial law requires placing children in the appropriate car seat until they're at least 145 cm (4' 9"), 36 kg (80 lb.) or nine years old.

4 Seatbelt Use a seatbelt when your child is more than 145 cm (4' 9"), 36 kg (80 lb.) or nine years old. Children should sit in the back seat until they are at least 13 years of age.

Developmental Benefits of Play Dough

- * Can help develop fine motor skills and hand strength.
- * Calming for children and adults to manipulate the playdough with their hands.
- * Supports language development and social skills.
- * Encourages creativity and be an open-ended activity.
- * Enhances hand-eye coordination and following directions.
- * Can help work through sensory aversions or satisfy sensory cravings. There are even special therapy doughs sold that have specific scents.

Make and Take Playdough

Join us October 31st for Make and take playdough!
At 9:45 and 2:00 we will show you how to make playdough, We will follow the recipe we use, and you get to take what you make home!!
