Welcome or Welcome Back!

Stay and Play-

So much learning happens in the Family centre each day.

We have lots of choice time—your children can explore the room— new activities happen each week.

We do a group clean-up

We have a snack—which we provide.

We enjoy a story together and have a group circle time that will quickly become a favourite activity for your child.

You are your child's first teacher .

Sometimes we have parent actives too!

Due to allergies and food restrictions—no food or drinks from home.—

Victor Mager is a peanut and tree nut free school.

Shoes are required to wear in the Family Centre at all times

If you would like to store shoes or slippers at the centre we can find you a spot!

*Everyone must wash or sanitize their hands as you enter the centre. We will work together to keep each other safe.

The Family Centre is a place for parents/ guardians and their children aged birth– 5 yrs old to stay, play and learn together.

All Programs are **free**—and all are welcome.
