Outdoor Play -SPRING is here. We will welcome a warmer spring this month. Be prepared to get outside and shake off the winter!!!!

Stay and Play-

So much learning happens in the Family centre each day. We have lots of choice time—there are new activities weekly. In the morning we go to the Gym. We do a group clean-up. We have a snack—which we provide. We enjoy a story together and have a group circle time that will quickly become a favourite activity for your child. You are your child's first teacher .

Due to allergies and food restrictions—no food or drinks from home in the family centre.

Victor Mager is a peanut and tree nut free school.

Shoes are required to wear in the Family Centre at all times. If you would like to store shoes or slippers at the centre we can find you a spot!

*Everyone must wash or sanitize their hands as you enter the Family centre.

Engaging Cooperation part 1

Tool 1: Say It with a Word (or Gesture)

"Garbage!" "Blocks!" "Bedtime!" "Toys!" for clean up

Tool 2: Be Playful

Make it a game "Can we get to the bath tub before the timer beeps? Ready, Steady, Go!"

Make inanimate objects talk "I'm an empty glove. I need a hand"

Use silly voices and accents "I am an airplane flying into your mouth"

Pretend "We're going through the enchanted forest to bed time."

Play the incompetent fool "Where does this shoe go? On your head? On your arm? So confusing!"

Tool 3: Offer a Choice

"Do you want to skip like a bunny or crawl like a crab...to bed."

Tool 4: Put the Child In Charge

"Martha would you set the timer to let us know when to stop?"

"You are this angry" [have her draw an anger line]

Tool 5: Give Information

"Garbage goes in the trash" "Hands are not for hitting."

PN Based on "How to talk so your small kids will listen" Joanna Faber and Julie King

I am 2

It's not easy. I'm realizing the world no longer revolves around me like it did when I was younger.

Still, life's not so terrible. It's just a bit complex and overwhelming at times.

I'm trying to understand the world and my curiosity and drive sometimes look like trouble. I'm a force to be reckoned with, a busy brain on the go.

(Don't underestimate me)
