News

- As previously mentioned, our improvisation troupe has been enjoying the French Immersion league, as well as tournaments. We are pleased to have purchased them jerseys that are to be used each year.
- The trip to Spain with students in the Grade 11 and 12 Spanish classes was a great success! The record rainy weather that had been occurring before their arrival cleared up and the group enjoyed sunny weather and a variety of cultural highlights.
- Bus evacuation drills took place yesterday and we have also done our two lockdown drills. We expect to be back practicing fire drills, now that the weather has improved.
- A group of 12 students in grades 9 to 12 participated in a Student Leadership Forum this afternoon, which was organized by the LRSD Student Advisory Board. The goal of this event was to engage students in a collaborative and dynamic activity designed to foster leadership, communication, and community building. Four student presenters prepared a presentation in which they highlighted two strengths they would like to share about our school and two points they believe the school can work towards in the coming years.
- Badminton season is in full swing, and we have hosted multiple tournaments after school, as well as on the weekend. Our Ultimate teams are now in full swing and the outdoor track practices have started.
