Family Craft Night

Thursday Dec 14th 6:00 - 7:15

Dive into the spirit of the season by crafting together as a family. We've prepared a variety of basic crafts, suitable for all ages and skill levels. All materials are provided and the event is free, so just bring your imagination and let the crafting magic begin!

- Exclusively for EJR Families - This event is open only to families within our wonderful school community.
- Children must be accompanied by their parents at all times. After all, Family Craft Night is organized by the EJR Family Centre, which aims to provide families with opportunities to engage in interactive and fun activities together.
- Parents, you're the Craft Leaders of the night! Please, join in the joy and assist your children with their crafts.

Stay & Play

Our Stay & Play sessions start with free play, then gym time, followed by arts and crafts and a snack. We then end our program with a story and some songs and rhymes.

Messy Science

Join us for a sensory experience of a messy and fun science experiment or creation.

Kids Cook

Today the children and parents join in on creating a special recipe, encouraging an interest in food and healthy eating by joining in on the preparation of the day's shared snack. This month we hope to make a festive treat!

Fun in French

Lots of English with a little bit of French sprinkled in! Learn songs, rhymes and everyday French words and phrases with your child. Today's story will also be in French!
