Stay & Play

Bring your children (0-6 years) for free play, songs, stories, movement, arts and crafts, a healthy snack and much more. Join us to make new connections and meet other families from the community. Take the opportunity to slow down and join in on playtime with your child.

Fun in French

Stay & Play with fun French language exposure. Learn songs, rhymes and everyday French words and phrases with your child. It's never too early to start learning an additional language.

Messy Science

Stay & Play with a messy and fun science experiment or creation. Come and join in on this sensory experience.

Kids Cook

Stay & Play but today the children and parents join in on creating a special recipe for snack. Encourage an interest in food and healthy eating by joining in on the measuring, stirring and preparation of today's shared treat.
