April programs

Ready for School

This is a registered program for children entering Kindergarten in the fall. The Family Centre will be closed for *Stay & Play* on these days.

Kids Cook

Today the children and parents will create a special recipe to be shared during snack.

Messy Science

Join us for a fun sensory experiment or creation.

French Exposure

Today's story/song/rhyme time will be in French. Come learn some French basics with us! No French experience required.

Moe the Mouse

Moe the Mouse is an early speech and language program that uses Indigenous toys and stories to enhance language development in children ages 3-5. Come meet Moe and his friends!

Friendly Reminders

Remember to bring clean indoor shoes for everyone attending the Centre.

Children must be accompanied by their caregivers at all times while at the Centre, as we are not a childcare facility. Our goal is to provide families with opportunities to engage in interactive and fun activities *together*.

We are a cell phone free zone. We kindly request that you **leave your devices aside** during your time at the Centre to create an immersive and interactive play experience for you and your child.

Please use **Door 2** on the north side of the school when visiting the Centre.

Are you or your child feeling sick? Please take a break from the Centre and join us when you're feeling better.

Our Everyday *Stay & Play*

Our typical *Stay & Play* sessions start with free play, then gym time, followed by a snack shared together in community. We then end our program with a story, and some songs and rhymes.

* We encourage everyone to arrive at the Centre for *Stay & Play* in the first 45 minutes of the program, as it gives your child(ren) more opportunity for free play and allows for smooth transitions between the activities that take place after the first hour.
