A place for families and their children (0-5 years)  
to play, learn and grow together

Bring your children (0-5 years) for free play, songs, stories, movement, arts and crafts, a healthy snack and much more. Join us to make new connections and meet other families from the community. Take the opportunity to slow down and join in on playtime with your child. Feel free to invite your friends with young children! We look forward to welcoming you!

## For those with children starting Kindergarten this fall...

### Ready for School program

A play-based program to help your child prepare for kindergarten. This program is for children who will be starting *mater-nelle* here at École Julie-Riel in September 2025. It is a free registered program that will start mid-April 2025 and will run for 2 half days per week until mid-May. Once you've registered your child for kindergarten with the school, you may register for Ready for School with the Family Centre. Contact [coleen.oman@lrsd.net](mailto:coleen.oman@lrsd.net) to register.

## Our Everyday Stay & Play

Our typical *Stay & Play* sessions start with free play, then gym time, followed by a snack shared together in community. We then end our program with a story, and some songs and rhymes.

\* We encourage everyone to arrive at the Centre for *Stay & Play* in the first 45 minutes of the program, as it gives your child(ren) more opportunity for free play and allows for smooth transitions between the activities that take place after the first hour.

## March programs

### Kids Cook

Today the children and parents will create a special recipe to be shared during snack – Join us this month as we make a special green treat for St. Patrick's day.

### Messy Science

Join us for a fun sensory experiment or creation.

### French Exposure

Today's story/song/rhyme time will be in French. Come learn some French basics with us! No French experience required.

### Moe the Mouse

Moe the Mouse is an early speech and language program that uses Indigenous toys and stories to enhance language development in children ages 3–5. Come meet Moe and his friends!

### **In alignment with the provincial policy regarding cell phone use in schools, we are a cell phone free zone.**

We kindly request that you leave your devices aside during your time at the Centre to create an immersive and interactive play experience for you and your child.

For safety reasons, please bring **clean indoor shoes** for all family members attending the Centre.
