**A place for families and their children (0-6 years)
to play, learn and grow together**

Bring your children (0-6 years) for free play, songs, stories, movement, arts and crafts, a healthy snack and much more. Join us to make new connections and meet other families from the community. Take the opportunity to slow down and join in on playtime with your child. Feel free to invite your friends with young children! We look forward to welcoming you!

Our everyday *Stay & Play*

Our Stay & Play sessions start with free play, then gym time, followed by arts and crafts and a snack. We then end our program with a story and some songs and rhymes.

Messy Science

Join us for a sensory experience during a messy and fun science experiment or creation.

Kids Cook

Today the children and parents create a special recipe, encouraging an interest in food and healthy eating by helping to prepare the day's shared snack.

Fun in French

Lots of English with a little bit of French sprinkled in! Learn songs, rhymes and everyday French words and phrases with your child. Today's story will also be in French!

Friendly reminders

Children must be accompanied by their caregivers at all times

while at the Centre, as we are not a childcare facility. Our goal is to provide families with opportunities to engage in interactive and fun activities *together*.

Remember to bring clean indoor shoes for everyone attending the Centre.

We kindly request that you **leave your cell phones aside** during your time at the Centre to create an immersive and interactive play experience for you and your child.

Are you or your child feeling sick? Please take a break from the Centre and join us when you're feeling better.
