CHAQUE ENFANT COMPTE

The bulletin board features a central white title box with the text "CHAQUE ENFANT COMPTE". Surrounding this title are approximately 100 small, folded pieces of paper, each representing a child. Each piece has a name written on it, followed by the word "compte" in a smaller font. The papers are arranged in several curved rows, creating a sense of movement and abundance. The names are written in various colors and fonts, and the word "compte" is consistently written below each name. The entire display is framed by a decorative border of colorful handprints.
