

School supplies – Kindergarten

June 2024

Dear Parents,

The Louis Riel School Division recognizes that shopping for school supplies can become very expensive and time consuming for families. Once again, the Division will be doing a **Standardized School Supplies** program for the 2024-2025 school year for grades K-5 students.

What this means is that all basic school supplies will be provided by the school, and parents will no longer be required to purchase them. Parents can be assured that the supplies are of high quality, meet the specifications of the classroom teacher, and respect sustainable procurement practices.

In addition, we request that each family purchase a few more items and **label EACH item with a permanent marker:**

- 1 School bag (large enough to fit library books)
- An extra change of clothes
- 1 Pair of Runners (Indoor –Gym) – Velcro **LABELLED**
- 1 Box of Kleenex
- 1 Box of large Ziplock brand bags
- 1 refillable water bottle (which will be brought home each day)

We are excited to announce that in line with our commitment to sustainability and the reduction of single use plastics, every student will be supplied with a reusable, zippered, ESG mailbag. All kindergarten and new students will receive this mailbag with their school supplies. While we anticipate that their bag will be used from year to year, should it become lost or damaged, families will be asked to purchase a new one at the cost of \$6.00.
