	parent cupboa the Family (ave a pair of indoor rd if it helps make s entre easier. Indoor o meet safety regu	your trek into r shoes are	We encourage families to arrive within the <u>first 30</u> minutes of program time. This gives your child ample time for freeplay and allows for smooth transitions into other activities offered during program time, and helps staff to be prepared If you are feeling sick, take a break from the family centre. We will be happy to see you back when feeling better.				into
