## 6. New Business / Questions from membership

- Questions
  - o Are late start Wednesday's changing?

- Sharad: Information shared last month at the staff meeting. Division sent an email to parent's of high school students. Due to the result of a new collective agreement, bringing forward a uniform number of minutes across schools. Staff were still in building and undertook collective planning work during this time, etc. Students initiated a petition re late start Wednesdays.
- Recognition of water and government announcement re AI? Is there consideration of communications/awareness re use of water in light of increased AI usage?
  - Sharad: Discussions are going on in classrooms – e.g. Science, geography, ethics, English and French courses. On Earth Day last week spent time on use of electricity. Division has an approach. Position to equip students to ethically use and capitalize in AI. No formal information launched yet.
- Transition Time/Minutes – How will that work?
  - Sharad: First year this year that had transition times. Teachers monitor attendance and trends. Currently 5 min.
