LEARNING • CONNECTING • GROWING • TOGETHER

Starting a new school can feel like a big transition, and we are here to support your family every step of the way. If you need support with winter clothing, backpacks, water bottles, lunch bags, or other essentials, please let us know. We are happy to help.

If you have a younger child between the ages of 0 to 5, we have a wonderful Family Centre that offers programming and support for families with young children.
