Make and Take Gingerbread Cookies!!

During Stay and Play

December 16th 10 am and 2 pm.

You will be making gingerbread cookie dough for you to take home cut and, bake.
We will provide the ingredients. This recipe is non-dairy and no egg.

Gingerbread refers to a broad category of baked goods, typically flavored with ginger, cloves, nutmeg, and cinnamon and sweetened with honey, sugar, or molasses.

Gingerbread cookies are a traditional Holiday cookie.

We will start mixing at 10am and 2pm sharp.
Please arrive prior to our mixing start time.
If you miss our start time you will be provided with the recipe.

This will happen in the family centre during our regular stay and play program.

Construction !!!!

Construction has begun on an accessible ramp for our front door. YAY!

Construction will begin on the commercial kitchen in the community room. Please bear with us during this time.

Please enter and exit through the East side playground door, changes are being made within the school so students will be exiting the school through different doors and may cause some congestion in the hallways.

As winter arrives students will be dressing and undressing into and out of snowsuits this takes floor space, and makes it difficult to navigate around with strollers.

If you are dropping students off at the back door...please walk around the outside of the school and enter from the East side playground door.

If there is disruption in our hallway from construction in the community room we anticipate the construction at the front door will be completed and you will be able to enter from the front door.

Need to see a Doctor ...don't want to wait at a walk-in?

It's a new online tool designed to help Manitobans find and coordinate medical care more easily. Through this secure website, you can:

Create an account to make an appointment to see available Doctors appointments anywhere in the city. Pick an appointment time and book it all online.

You can visit medinav.ca to learn more or sign up.

Let's make navigating healthcare a little simpler for everyone
