2026**

WEEKLY NEWS

NEWS

New Late Entry Process

To support student safety and accurate attendance, all students arriving late to school are reminded to report to the office first. Students will receive a Welcome Slip from office staff and then take it to their classroom teacher. This simple process helps us ensure every student is accounted for while providing a warm and positive start to their school day, no matter what time they arrive. Thank you for your support in helping us maintain safe and organized school routines.

Terry Fox Walk

On Monday, October 5th, our school participated in our annual Terry Fox walk to raise money for cancer research. Our school goal is to raise a minimum of \$500. If every student can bring in a toonie, we will easily surpass our goal together! Cash donations can be brought to your classroom teachers the morning of October 5th. Anyone wishing to make an electronic donation can use the following link to our school's online fundraising form. Every little bit counts! Thank you in advance for always being such a generous community.

Friday Oct. 16 Day: 3			
			

Home School Connection

Fall Family Activities

Go on a Fall Nature Scavenger Hunt

Take a family walk and look for signs of fall such as colourful leaves, acorns, pinecones, migrating birds, or animal tracks. Ask your child to describe what they discover.

Read Together Under a Cozy Blanket

Choose a favourite book and enjoy some family reading time. Encourage your child to retell the story, make predictions, or share their favourite part.

Try a Leaf Math Challenge

Collect leaves and sort them by colour, size, or shape. Create patterns, estimate quantities, count collections, or make a simple graph together.

At Glenwood, we know learning happens everywhere. Thank you for partnering with us to support your child's growth at home and at school! As we head deeper into the fall season, we want to thank our Glenwood families for your ongoing partnership and support. Whether you are enjoying time outdoors, sharing a meal together, or reading under a cozy blanket, we hope your family finds moments to connect, learn, and celebrate the season. Thank you for being an important part of our Glenwood community. We wish you a wonderful and restful fall!

Warmly,

Kimberley Adair-Gagnon
Principal

Vice Principal

 Save Our Seine proudly presents

PULL BUCKTHORN.

CELEBRATE THE LAUNCH OF THE BLENHEIM PARK EDUCATION NODE OUTDOOR CLASSROOM!

Wednesday, October 14, 2026
4:30–6:30 PM
Blenheim Park
Corner of Egerton Road & Blenheim Ave.

Celebrate outdoor learning along the Seine River and the great work Glenwood School students are doing to plant native species and remove invasive plants.

PULL A PLANT. GET A MEAL!

The invasive European Buckthorn shrub crowds out native plants and reduces biodiversity. Help give our riparian forests room to grow.

Trade one freshly pulled European buckthorn plant for a **FREE** hotdog or hamburger, canned drink and bag of chips.
(One meal per participant. First 100 participants only)

Supported by:

Fresh Food Box

Purchase a cost-shared Fresh Food Box for \$20*

Each box will contain a changing variety of fruits, vegetables, 2L milk & 1 dozen eggs.

(*no substitutions available. Fresh Food Box valued at approx. \$40)

SCHOOL DIVISION

Glenwood families,

Are you a proud parent with a new baby? Will your baby be 2- 4 months old in October?

The Roots of Empathy program is looking for a volunteer family. Your baby will be a "Tiny Teacher" once a month from October to June. (30 to 40 minutes in length)

Our program celebrates your baby's attachment to you as their parent, and children also observe your attunement to your baby.

Fathers and/or mothers are equally welcome to participate.

We will ask you to share your parenting experience with your baby with the children, as you are the expert on your baby.

During the school year, you and your baby will be visiting the classroom nine times. At the start of the year, the Instructor will come to your home to talk about how the program will run and answer any questions you may have.

Please contact the Family Center at kelly.becking@lrzd.net or valer.racine@lrzd.net.

Valerie Racine (Mrs. Racine) (she/her)
Family Centre Assistant, ECE III
