Lunch Program

All students who participate in the lunch program must be registered. Forms are available on the [Glenwood Student Forms and Start-Up Information webpage](#).

Supporting Litterless Lunches

We are encouraging litterless lunches. When possible, students are asked to bring lunches and snacks in reusable containers. Remaining packaging and waste will be sent home in lunch kits so families can see what their child ate at school. Partially eaten items such as fruit cups or yogurt may be disposed of at school to prevent spills and messy clean-up at home for busy families. Students must bring their own utensils, as we do not have extras available at school. To support smooth lunch transitions, we encourage families to avoid sending lunches that need to be heated.

Entry Procedures

8:47 a.m. bell	Students line up at their designated doors and are greeted by teachers for entry.
Families	Please bring children to their designated door and wait for teachers unless an alternate arrangement has been made with school administration.
Designated doors	Please use the school entry map to identify your child's designated entry location. found in the Welcome Document: https://www.lrsd.net/glenwood/student-forms-and-start-up-information

Controlled Entry Reminder

All exterior doors remain locked during the school day. Parents and caregivers who need to speak with their child, deliver an item, or pick up their child early should ring the front entrance doorbell and report to the office. Staff will assist and bring the student to the office when appropriate. Thank you for helping us maintain a safe and secure learning environment.

Home-School Connection

A few minutes of genuine interest can help children reflect on their day, build confidence, and strengthen their connection to school. Instead of asking only, "How was school?", try one of these conversation starters:

- What was the best part of your day?
- What made you laugh or smile?
- Who did you spend time with today?
- What is something new you learned?
- Did someone help you today? Did you help someone else?
- What are you looking forward to next week?

Thank you, Glenwood families.

When children know that the important adults in their lives are interested in their experiences, it reinforces the message that school matters and that they are valued. Thank you for sharing your children with us each day and for the trust you place in our staff. We wish your family a wonderful week ahead.

Warmly,
Kim Adair-Gagnon, Principal
Meaghen Shangreaux, Vice Principal
