

## Instructions for opening an account with the new Parent Portal

### **Welcome to the new LRSD Parent Portal**

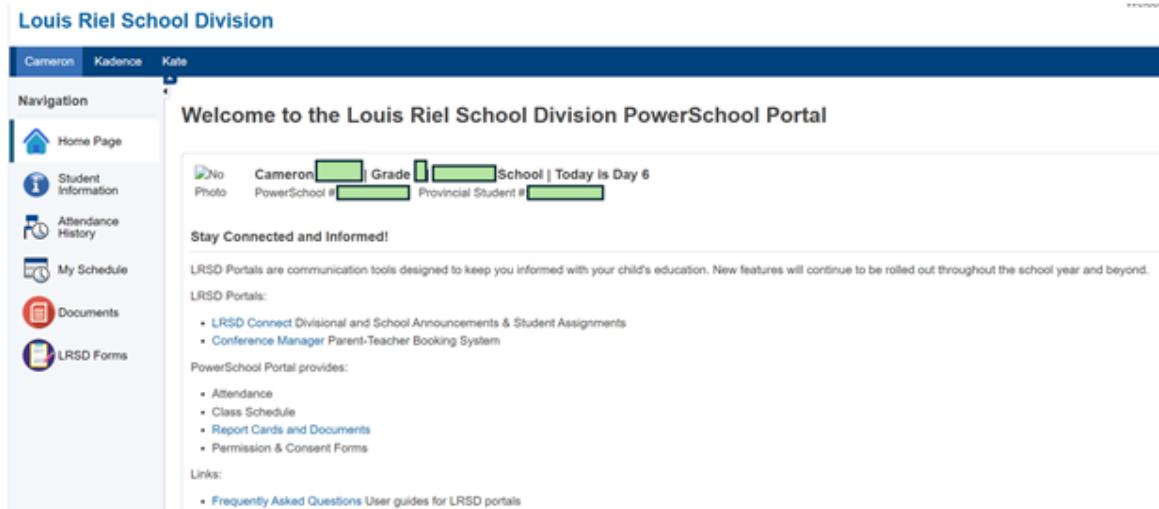

In the summer of 2024, the Louis Riel School Division (LRSD) implemented PowerSchool, a new student information system. We are excited to leverage this new system which has many new features for students, parents, and staff. As we approach report card season, we need all parents to follow the [linked instructions](#) to create their new Parent Portal login and password.

With your new Parent Portal account, you'll be able to:

1. Access our LRSD Connect app (available for download on [iOS](#) or [Android](#).)
2. Access the PowerSchool parent area, where you can view:
  - a) Your child's documents, including report cards,
  - b) Their school schedule, and
  - c) Their attendance history.
3. Access School Cash, our new online system for fees and payments.

We'll continue to add more features to the Parent Portal in the future. Please follow the [instructions linked here](#) to set up your account so that you'll be ready to view your child's report card when it comes time for posting.

### **EXAMPLE OF NEW PARENT PORTAL SCREEN**

The screenshot shows the homepage of the Louis Riel School Division PowerSchool Portal. At the top, there is a dark blue header with the text "Louis Riel School Division" and three user names: "Cameron", "Kadence", and "Kate". Below the header is a navigation bar with the following items: "Home Page", "Student Information", "Attendance History", "My Schedule", "Documents", and "LRSD Forms". The "Documents" item is currently selected, as indicated by a blue border. The main content area has a white background and features the following sections:

- Welcome to the Louis Riel School Division PowerSchool Portal**
- Stay Connected and Informed!**

LRSD Portals are communication tools designed to keep you informed with your child's education. New features will continue to be rolled out throughout the school year and beyond.
