Dear Victor Mager Families,

As we begin to prepare for the 2026-27 school year, Victor Mager School is pleased to share information about our *Kindergarten Information Evening*.

This one-time event will be held at **6:00 p.m. on Thursday, February 12**, at Victor Mager School, in the school Library. This information night is intended for caregivers and therefore students do not need to attend this in-person event.

If you have community friends or neighbours who also have children born in 2021, we would appreciate if you helped spread the word and encourage them to go to our divisional [website](#) for more information regarding this important evening.

During the information evening, we will be:

- *Sharing information related to what you can expect from our Kindergarten programs (philosophy, overview typical day, etc.). Please note that Kindergarten is a full day program at Victor Mager School and in LRSD*
- *Meet Staff*
- *Sharing more information related to the registration process.*
- *Answering questions.*

For more information, you can also access the [Kindergarten Information Night 2026](#) information on the divisional website.

Kindergarten registration will take place from Feb. 17 to March 27, 2026. Schools of Choice applications are not accepted prior to Feb. 17, 2026.

If you have any questions, please contact us at the school (204) 253-9873.

We look forward to meeting you on Thursday, February 12!

Thank you,
