Kindergarten School Supply List

Dear Parents/Guardians,

The Louis Riel School Division recognizes that shopping for school supplies can become very expensive and time consuming for families. As a result, Louis Riel School Division uses a **Standardized School Supplies** program for grades K-8 students. What this means is that all basic school supplies will be provided by the school, and parents will no longer be required to purchase them. The school in turn collects **\$40.00 per student** to cover the cost of these supplies. Parents can be assured that the supplies are of high quality, meet the specifications of the classroom teacher, and respect sustainable procurement practices. Supplies are being provided on a per child basis.

Student and lunch fees can be paid online using SchoolCash via the Parent Portal.
