

École Provencher Families,

Our first fundraiser of the year will be the Peak of the Market Farm to School program. Peak of the Market Ltd.'s Farm to School is a fundraising program that promotes healthy food choices and offers great profit margins for schools while also giving back to École Provencher families in need of support. We will be using the online ordering system on Munch a Lunch. Families can use the same account used to order monthly hot lunches.

The fundraiser works as follows;

1. École Provencher families collect orders and payment for fresh bundles of vegetables from family and friends.
 - a. Bundle A - \$20 - 2lb carrots, 2lb onions, 10lb potatoes
 - b. Bundle B - \$30 - 3lb carrots, 3lb onions, 15lb potatoes, 1lb parsnips, one cabbage
 - c. Donate a Bundle - \$20 or \$30 bundle options
2. École Provencher families submit the complete order on the Munch a Lunch website between Oct 22nd and November 13th. **Please only submit one order per family.**
3. École Provencher families pick up their pre-ordered vegetable bundles on November 26th and 27th during Parent Teacher Conferences.
4. École Provencher families distribute their collected orders to their families and friends who ordered.

Any questions can be sent to the Parent Council at provencherPAC@gmail.com

While we will be using the online ordering system to place orders (Munch a Lunch), please use the table below to track orders received from family and friends.

Name	Bundle A \$20	Bundle B \$30	Donate Bundle A - \$20	Donate Bundle B - \$30	Total
