

BONJOUR

I'm M. Brian Riddell

In September, I will be your Grade 5/6 teacher, and I am really excited to share my experiences with you. Over the last two years, I've had many new and memorable experiences. My son, Téo, will be having his second birthday this summer, and my wife, Mirajoy, and I have loved watching him grow. It's amazing to watch how much someone can grow and learn over just two years.

Family is very important to me. Whoever you consider part of your family, whether it's parents, friends or classmates, it's important to grow and learn with the people around you.

I grew up speaking French and feel fortunate to bring this important part of my culture into my work as a French immersion teacher. I am excited to be joining the great team of teachers at École Varennes. I can't wait to learn about your journeys and how you've become the French speaker you are today.
