

Bonjour! My name is Codie Price and I will be your child's grade 5/6 teacher for the 2026-2027 school year. Some of you already know me, as I have already had the pleasure of teaching some of your children, and have taught many of the siblings of students joining my class.

For those of you who don't know me, I have been teaching at École Varennes for about 10 years and I have taught Kindergarten through 6 here. In addition to working with students, I have two children of my own – Alex (10) and Emma (8). Being with kids, both at work and at home, is my absolute joy.

For returning families, I am so glad to have the opportunity to teach your child again. One of my favourite benefits of multi-age classrooms is starting the year with students and their families, having already established a positive learning foundation. Students come into the class in September with fewer worries, and I am able to meet their needs much quicker. I also truly enjoy watching how much they grow over the course of two years :)

I am a firm believer in working closely with families to ensure your child feels fully supported. If you or your child have any questions or concerns over the course of the year, please feel free to contact me at shirleyann.price@lrsd.net

I hope you all enjoy a safe and restful summer,

*Mme Price
