

Meet the Teacher

Mme Hailey

Welcome to grade 2!

Bonjour!

Welcome to grade 2! I'm Mme Hailey and I am very excited to be your teacher next year.

My experience

This will be my third-year teaching, and I am very excited to learn and grow together. I am an immersion school graduate, and I received both of my degrees from Universite de Saint Boniface. I am so lucky to be able to share my love of the French language with my students.

About me

I am a very creative person and love to do crafts. My partner and I bought a house last summer and I love working in my flower garden. We also have two Siamese cats, named Minnie and Leia, who love to cause trouble.
