

# Hello Grade One!

My name is Madame Janelle, and I am excited to be your child's teacher for the 2026-2027 school year! I look forward to partnering with you and supporting your child as they learn, grow, and build confidence throughout the year.

I have a strong appreciation for collaborative and game-based learning, as I believe children learn best when they are actively engaged and working together. Throughout the year, we will participate in a variety of hands-on activities, games, and cooperative learning experiences that make learning both enjoyable and meaningful.

## About Me

☆ This will be my fourth year teaching on this team at École Varennes and I am so excited for the upcoming school year here

☆ I have spoken French my whole life and I truly value the identity that comes along with the language

☆ I love to spend time with my family and friends, read, and go to the beach.

I want to extend my gratitude to you for your support as we enter this upcoming school year. Until then, I wish you an enjoyable and relaxing summer!

## A Few of my Favourite Things

Food: Pizza

Color: Yellow

Animal: Dog

Subject: Math

Season: Summer

Classroom toy: Legos
