

BIENVENUE!

Hello! My name is Lynne Macri, but the students call me Mme Macri. I will be your child's grade 3/4 teacher this upcoming school year. I am so excited for September to come and meet each and everyone of you! We are going to have so much fun learning, creating, exploring and growing together. I love to learn and I hope you will too! Until we can finally start our year, I wanted to tell you a little about me.

I am a proud French Immersion graduate from Collège Jeanne-Sauvé. I continued my studies at Université de Saint-Boniface. I have been teaching grades 3 or 4 at École Varennes for the last 15 years. I am passionate about French education and firmly believe in the positive impact it can have on children's lives. When I'm not teaching, I love to spend my time with my family and friends. Some of my favourite things to do are reading, knitting, crocheting, playing with my cats, diamond painting, watching old TV shows and travelling the world!

In my classroom, I love to use technology! So we will be spending time on the computers. (I hope you like Minecraft and coding.) Also, I find it really important that in the classroom, everyone speaks in French. So don't forget to practice this summer.

I really hope that you have a great summer and enjoy the beautiful weather. I can't wait to hear all about your summer adventures when we meet in September! If you ever have questions, or just want to introduce yourselves my email is lynne.macri@lrsd.net. Please do not hesitate to contact me with anything!

Take care,
Mme Macri
