

Meet Mme. Yemboul

Welcome to Grade 1

Hello! My name is Naziha Yemboul, and I am very excited to be part of your child's learning journey next year.

My hobbies

Outside of teaching, I love reading a variety of books and expressing my creativity through writing. In my free time, I enjoy coloring as a relaxing and creative activity, as well as cooking and trying new recipes. I also have a strong interest in history and enjoy learning about past events and cultures.

My experience

I am a dedicated classroom teacher with over 10 years of teaching experience across both elementary and secondary levels. I have taught Kindergarten/Grade 1 as well as Grades 3 and 4, in addition to working with older students, which has given me a broad understanding of how learners develop at different stages.

My philosophy

I am passionate about creating a safe, caring, and engaging classroom where every child feels supported and valued. I believe that building strong relationships with students and families is essential to helping students succeed, and I strive to create a positive and inclusive learning environment.
