

Meet the Teacher

Mme Roy

Bonjour!

My name is Mme Paige Roy and I am so excited to be your grade 5/6 teacher this upcoming school year at École Varennes. I love having fun with my students and listening to music together. In our classroom we learn and work together as a team, and the students play a big role in making decisions for the classroom. I look forward to having you all in my class and working together in the fall!

My Experience

I am a graduate of l'Université de Saint-Boniface with a B.Ed. and a post baccalaureate in education. I am a proud French Immersion teacher and have been teaching in grade 5/6 for six years at École Varennes.

About me

At home, my partner Nico and I have a 3-year-old son Bruno and a 1-year-old daughter Annie. We love to spend time outside and have dance parties.

This summer, my family and I will spend a lot of our time at the lake, going to the beach and swimming.

Some things I love to do with my students is play games and make classroom playlist in both english and French

I am so excited for our upcoming school year and look forward to seeing the new and familiar faces in the classroom!

Have a wonderful summer vacation!
