

Welcome to grade 3/4!

☀️ HELLO GRADE 3/4 STUDENTS! ☀️

I am so excited to welcome you to a new school year full of adventure! We are going to learn, explore, create, and grow together in so many fun ways. You'll make new friendships, strengthen old ones, and work together so that our classroom feels like a place where everyone belongs.

I hope your summer is filled fun adventures, and time with family and friends. Whether you're exploring new places, enjoying time outdoors, or taking time to relax! I look forward to hearing about your summer in September.
