

Dear Parents/Guardians,

Re: FEES for 2026-2027

All students at Nordale School are required to pay several school-related fees:

**Student School Supplies:**

The Louis Riel School Division has approved a standardized school supply program. Parents/Guardians will no longer be responsible for purchasing basic school supplies and will be asked instead to pay a fee to the school at the beginning of the year not to exceed \$40.00. Charges will be based on actual costs identified by each class.

**Activity - All Students:**

A \$25.00 annual Activity Fee for each student. This fee is used to help offset a portion of the costs of special presentations and field trips that occur throughout the school year. Parents/Guardians should anticipate additional costs for field trips as they arise throughout the school year.

**Lunch Students (Grade KG to 8):**

An annual Lunch Fee is paid by those students who stay at school for lunch. This fee helps pay for supervision costs over the lunch hour. The fee for elementary schools is \$90 per student to a maximum of \$360 per family.

**Arts Students (Grade 7-8):**

All students in grades 7 to 8 will pay a \$25 Arts fee used for supplies and to maintain instruments.

Please complete the table on the reverse side of this letter and return it to the school office when you arrive at your Opening Day Conference in September. Please note that all **school fees** can be paid online using School Cash on the parent portal ahead of time.

Should you have any questions please do not hesitate to contact the school.
