About Us

Welcome to St George Family Centre. We are located in Room 12 in St George School. We offer parent and child programming throughout the school year. You can bring your child (birth to 5 years old) for free play, art activities, songs & stories, movement activities and much more! We offer a welcoming space to meet other parents and caregivers. A healthy snack is also provided. All programming is free.

Little Learners Preschool Program

Is your child starting Kindergarten next year?

We will be offering a play-based ready for school program, which focuses on skills to help prepare children who are entering Kindergarten.

This program is for children who were born in 2022, and will be starting Kindergarten at St George School, in September 2027.

Little Learners is a free registered program that will start in the Spring of 2027 and will run for 6-8 weeks, for two half days per week.

For more information, please contact the Family Centre.

Reminders

Please bring clean indoor shoes to wear to each session.

Please buzz the office at the front doors, for entry to the school. Parents will need to sign in and out in at the office before and after each session.

We encourage hands-on play time with your child/children. This is a great opportunity for parents and children to connect and build relationships. For this reason, we ask that cell phones are put away while you are at the Family Centre. They should only be used for emergency purposes.
