# June Updates

## What we've been up to in the Family Centre!

May was a busy month and we were thrilled to have so many new families join us! We enjoyed making beautiful picture frames for Mother's Day, complete with smiling photos and personalized decorations! This month we also had an AMAZING gathering where we shared a meal together, grew our community and celebrated all the incredible caregivers. Join us in June for lots of play, a make-and-take craft, and our year end celebration!

## Did You Know?

Did you know that parents being on a phone around their kids affects child development? When parents are distracted by their phones or scroll social media often, it interferes with the ability to develop secure attachments, decreases connection and can lead to negative health effects. Try putting your phone out of sight more often and play a game, read a book or colour a picture together!

## End of Year Celebration!

Join us as we celebrate the wonderful year we had here at Victor Mager Family Centre!
