WHAT WE DO

SERVICES AVAILABLE

We provide settlement services for Permanent Residents who live in the neighbourhoods of St. Vital and St. Boniface.

Examples of the supports available:

- Providing settlement information and orientation including:
 - access to benefits, school registration, health care and more
- Connecting clients with programs and services
- Making referrals and supporting clients in accessing community services and resources, such as:
 - employment, housing, education, job training, community programs, language, mental health support, gender-based violence support, etc.
- Group programming, such as English conversation circles, spring and summer break youth wellness, cooking/nutrition, parenting, healthy relationships, and more

All services are provided
FREE of charge.
