We Love to Read-a-Thon

École Marie-Anne Gaboury and the Parent Advisory Committee (PAC) are proudly hosting a Read-A-Thon, February 19 to March 15 to celebrate **I Love to Read** month and fundraise for the school.

The goal of the Read-A-Thon is to help our children improve their reading skills, rediscover favorite books or discover new ones by reading more frequently and having fun in the process. Each classroom will set a reading goal for the month. It can be a number of books to read in the month, a number of pages per day or a number of minutes of reading per day. Please ask your parents, grandparents and family friends to sponsor your reading efforts and support our school.

Classrooms that reach their goal will be entered into a draw to win a pizza party!

The PAC last donated iPads to the school ten years ago; they are now reaching their end-of-life. Funds raised during this year's PAC events will be directed towards the purchase of new iPads, which supports in-school learning, including literacy development. Donations can be made via credit card through Charitable Impact (via LRSD): <https://m.charitableimpact.com/SSJW> or use the QR code to access the page:

For donations via cash or cheque, please contact Carla Bernardin at emagpactreasurer@gmail.com for further details. All donations will receive a tax receipt. Minimum donation of \$5.

Keep this pledge sheet in a safe place - like your homework agenda - and remember to record your daily reading on the log sheet (on reverse).
