HARVEST MEALS2GO!

Summer Pop Up Program for Kids

Harvest Manitoba will be providing a one-week supply of food to every child and family who visits our pop-up station - every week for 8 weeks. The kits include several nutritious food items including cereals, milk, and fruit provided by Food Banks Canada and fresh bread provided by Harvest Manitoba. To pick up your Meals2Go kits, please visit us at one of the schools below. Harvest Manitoba Crew members will serve you at our pop-up tent, which you will find next to the Meals2Go truck in the school parking lot area. See you soon!

HARVEST

No Child Should Go Hungry: Join Us to Combat Food Insecurity

Did you know that 20% of children in Manitoba live in food-insecure homes? As inflation and the overall cost of living continue to rise, more hardworking families face financial challenges, increasing the number of children who need our help.

We believe no child should go hungry, and no parent should worry about providing enough food for their family. That's why we're here to help.

Visit our pop-up breakfast station for a take-home kit at the location closest to you!
Please note there is a maximum of one kit per child in your family.

Preventing child hunger and supporting healthy, active living for Manitoba's children. Because every child deserves to learn, play, and succeed!

WINNIPEG PICK UP LOCATIONS & SCHEDULE

Program runs for 8 weeks from July 8 - August 30, 2024
