Welcome or Welcome Back!

Stay and Play: So much learning happens in the Family Centre each day.

We have lots of choice time—your children can explore the room- new activities happen each week. Parents can enjoy a coffee or tea and meet others in the area.

We do a group clean-up

We have a snack—which we provide. We enjoy a story together and have a group circle time that will quickly become a favourite activity for your child.

You are your child's first teacher. Sometimes we have parent activities

Due to allergies and food restrictions—**no food or drinks from home.**

Victor Mager is a peanut and tree nut free school.

Shoes are required to wear in the Family Centre at all times.

If you would like to store shoes or slippers at the centre we can find you a spot!

Everyone must wash or sanitize their hands as you enter the centre

To celebrate Truth and Reconciliation Week, together with the community room, we will be painting stones and placing them in the neighbourhood on a nature walk. Please start looking for smooth stones, about the size of the palm of your hand. We can store them in the centre, if you'd like. Collect extras to share!
