## Harvest Meals2Go Schools Celebration

Last week Ms. Ryz and three student representatives had the opportunity to join in a special celebration for all the Meals2Go Schools.

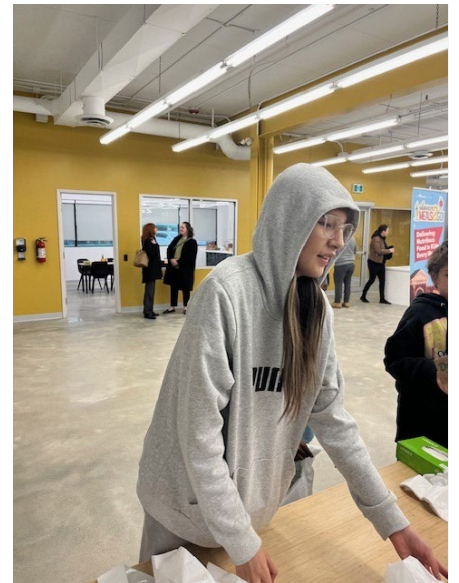

Wyatt was one of the first schools in this program, which has now expanded to provide support to 15 school in Manitoba. The Meals2Go program proudly serves 5000 students per week.

Our student representatives had a chance to help create some positive affirmations, which are included in the bags each week. They also got to work in an assembly line helping to pack Meals2Go bags.

All three students left feeling positive and inspired by this experience.

We are grateful to Harvest for their ongoing partnership with our school and generosity in providing weekly Meals2Go kits for our students and families.
