

## Wyatt Community Weekly Wire

March 17-21, 2025

Issue 26

### March - Term 2 Student-Led Conferences

Please save the date for Term 2 Student-Led Conferences on **Tuesday, March 25<sup>th</sup>, 2025** (please note, this is also an early dismissal day).

This year we will continue with an **Open House format**, where students and families can drop into their classrooms from **3:30 – 6:30 p.m.**

The purpose of our conferences is to showcase your child's learning and growth over time. This is a valuable opportunity for you to gain insight into your child's learning process, celebrate their achievements, and better understand their progress at school. Families are an integral part of this experience, as students are proud and excited to share their learning with you. Your involvement helps make this experience meaningful and memorable for all.

### Term 2 - KG – Grade 8 Report Cards

Student report cards will be posted on the parent portal on **Friday, March 21<sup>st</sup>**. An email will be sent out to families prior to posting with instructions on how to get set up in the parent portal and how to access your child's report card.

### Neurodiversity Celebration Week – March 17 – 23

Neurodiversity Celebration Week is a worldwide initiative that challenges stereotypes and misconceptions about neurological differences. It aims to transform how neurodivergent individuals are perceived and supported by providing schools, universities, and organizations with the opportunity to recognize the many talents and advantages of being neurodivergent, while creating more inclusive and equitable cultures that celebrate differences and empower every individual.

## Lost & Found

There are lots of clothing, shoes, and personal items in our Lost & Found. Our clerical team took time to sort through and organize of the items. Classrooms will visit the tables this week but families are also engaged to claim missing items on Conference Night.

Childhood is not a race  
to see how quickly a  
child can read, write,  
and count. It is a small  
window of time to  
learn and develop at  
the pace that is right  
for each individual  
child.
