### Invitation to Honour Kookum Hilda

Dear Louis Riel School Division Community,

We invite the Louis Riel School Division community to gather in remembrance of our beloved divisional Knowledge Keeper, Kookum Hilda Kentiban. Kookum was a guiding light, offering wisdom, teachings, and a deep spirit of connection that enriched us all.

Join us as we honour her legacy:

**Date: Monday, May 12**

**Time: 5:00 – 7:00 p.m.**

**Location: Lavallee School/René Deleurme Centre (505 St. Anne's Road)**

This come-and-go gathering will include a prayer fire and light refreshments, providing a space for reflection, remembrance, and connection.

We look forward to coming together in remembrance. All are welcome.

## Folk Dance in the Park

A reminder that our Grade 1 – 4 students will be participating in the LRSD Folk Dance in the Park experience on Tuesday, May 13<sup>th</sup>.

The weather is going to be hot so we encourage students to plan accordingly and to ensure they:

- Dress for changeable weather, wear layers, a hat, and comfortable running shoes (no flip flops or sandals)
- Apply sunscreen/bug spray
- Bring an extra water bottle
- Bring a packed lunch (no microwavable items)

Spectators are welcome. Those wishing to join can meet at Maple Grove Rugby Park at 10:25 a.m.

Our students have been working alongside Mrs. Funk to learn all the dances and the origins and history of each dance. We hope all of our students have a wonderful time.

## Spirit Week

Thank you to our Student Leadership Group who has organized some fun dress up days for Spirit Week next week. Students and staff are encouraged to show their school spirit by participating in these fun days.

# Fire Drill Practices

As part of our ongoing commitment to safety, schools are required to complete **10 fire drills each school year**. These exercises are a critical part of our emergency preparedness plan.

Fire drills are more than just a routine—they ensure that every student and staff member knows exactly what to do in the event of an emergency. Practicing our response helps build confidence and can save lives in a real situation.

You can expect to see us engaging in **regular fire drills in the coming weeks**. We ask that everyone take each drill seriously and follow all procedures carefully as we practice these skills.
