Breakfast Program Ends This Week

A reminder to families that our Breakfast Program will officially end on Friday, June 21st.

Can-U Lead Award and Scholarship

We would like to congratulate all the students who participated in CanU this school year and a special thank you to all the parents and guardians who supported them.

Each year, CanU selects a few outstanding students to receive awards and scholarships. We were lucky enough to have three recipients. Congratulations to John Victor, Theism, and Jemimah!

A message from the CanU team:

This year, we received an overwhelming number of applications for the CanU Lead Award and Scholarship. The selection committee considered various factors, such as the written application, attendance at CanU, level of engagement during programming, and much more. With so many incredible students and applications, the decision-making process was incredibly challenging due to the limited number of scholarships available.

Skittle's Day

K – 6 student will participate in a fun-filled afternoon of simple challenges where they can earn Skittles as prizes for the activities they complete. Stations will be led by the grade 7/8 students.

Skittle's Day is scheduled for Thursday afternoon. Please dress appropriately for the weather. Hats, sunscreen, and water bottles are encouraged.

Free Slurpee Truck Treat

The St. Anne's 7-11 store is providing a **free Slurpee** for all students. The truck will arrive in the afternoon and each class has a scheduled time to head outside to enjoy a Slurpee treat. A special thank you to the team at the St. Anne's location for their kindness and generosity!
