Congratulations to Mrs. Moritz

After 35 years of commitment and dedication to Victor H. L. Wyatt School, Mrs. Moritz is officially retiring!

Mrs. Moritz began at Wyatt in 1988 as a student teacher. After graduating from the Faculty of Education in 1989, Mrs. Moritz began subbing as a regular at Wyatt and she became a friendly and familiar face as she was here all the time!

In December of 1989, Mrs. Moritz became a fulltime permanent teacher at Wyatt. One of her huge achievements was the success of the Wyatt School Patrol Team, which she has led for the last 30 years. She established the "Patrol Store", where students earned currency for their work as patrols that they could then spend on a variety of fun items.

Over the course of Mrs. Moritz's 35 years at Wyatt, she has had a positive impact on students, staff and families. She has taught roughly 1000 students and has even taught some of her former students' children.

Mrs. Moritz has given Wyatt the gift of 35 years and we are so grateful for her passion and dedication to public education. We wish her an incredible retirement filled with much goodness, health, happiness, and joy!
