### No School Monday, May 19<sup>th</sup>, 2025

A reminder that it is Victoria Day on Monday, May 19<sup>th</sup> and that there are no classes. We hope families enjoy the long weekend ahead.

### Family Learning Night

This week's Family Learning Night focused on bridge building in family teams while meeting specific building criteria. There were eight different prize categories that further challenged families as they considered their designs.

Thank you to all the families who actively participated in this event and made it so fun. An extra special thanks to Ms. Brooke for all her hard work and creativity in planning and organizing the night and to Ms. Dana and our custodial team for providing extra helping hands throughout the evening.
