Physical Education

All students must wear a T-shirt, an ordinary pair of shorts and runners that offer good support and traction. Flat laces are recommended as round shoelaces and zippers come undone easily which affects safety and participation. We do not allow the use of sandals, flip flops, skcrocs, ater shoes or any shoes that mark the gym floor.

All students must have either a cloth bag or a sports bag to hold all sports apparel. Your child's name should be clearly printed on ALL ITEMS. Gym clothes and runners will remain at school and will be exclusively for indoor use. Students will also need an outdoor pair of runners for the fall & spring.

Lunch

The school requires a sturdy lunch box for all students that have lunch at school. The child's lunch box should be clearly marked with his/her name. **Thank you!**

There will be special events and class outings. These occasions may require your financial assistance.
