CULTURAL ENRICHMENT PROGRAM

Spring 2023

A Unique Opportunity to Explore Global Citizenship

Public schools provide meaningful and engaging experiences that foster personal, social, and academic growth and prepare students for a bright future. Today, more than ever before, schools must also assist students to appreciate global citizenship and an internal perspective in our increasingly connected world. Cultural enrichment experiences help to develop “citizens of the world,” and the Louis Riel School Division’s France Cultural Enrichment Program supports this goal. **Cost of the program is for the flight and insurance only. Approximately \$1800.00.**

The Participants

Students in Grades 10 - 12 from each of our high schools are being invited to apply to participate in a cultural enrichment exchange program with schools in Grenoble that will take place in the Spring of 2023. Participants selected will have demonstrated leadership potential, a sound character, a passion for learning and enthusiasm for new experiences in their school and community. Selected students must be able to host a student from Spain as part of the exchange.

The School and Its Program

This school region is in the south-east of France in the city of Grenoble which is surrounded by mountains. The Nancy-Metz Académie in Grenoble, is part of the organization called DAREIC – Délégation Académique aux Relations Européennes, Internationales et à la Coopération. They are very experienced with exchange programs and have been operating exchange programs with other Canadian cities in the past.

LRSD students will stay with families that live near the school and will host their partner from France at their home later in the year.

Excursions to local sites, businesses, nearby communities, and cultural attractions will complement their experience – students can learn about life in Spain and how the people have adapted to live in this beautiful European country.

The Benefits

In addition to learning about the Italian culture, our students will have an opportunity to develop an appreciation for ...

- International culture, traditions, languages and lifestyles
- International interdependence and cooperation
- The importance of diplomacy, its processes, protocols and benefits
- Canada's role in the global community
- Canada's cultural diversity and heritage

The Courses, Credits and Evaluation

This program is designed to enhance student's current educational experience; therefore, they will have the opportunity to earn a high school credit during their time in Spain and their involvement in Winnipeg. This credit will be treated as "out-of-country" credit when students complete the exchange. Evaluation of their progress in the program will be at the discretion of the cultural enrichment facilitator who will submit formal written reports once the program is completed.

For a truly authentic writing experience, students will keep a blog and submit a journal at the end of their studies. They will be invited to share their experience through presentation to school groups, government agencies, service groups and local media after returning to Winnipeg.

The Application Process

Any student registered in Grades 10-12 in a Louis Riel School Division high school (must be a Canadian citizen or have PR status) may apply. The application should be submitted to the school administration by **November 12, 2022. Applications will be available in the school office and on-line.**

An information meeting will be scheduled for all interested students and parents once we determine the number of applicants. In the meantime, if you have specific questions, please contact:
