November 17, 2025

Dear Families,

We look forward to welcoming you to the Grade 1 – Grade 8 Student-Led Conferences / Open House event.

DETAILS OF THE EVENING

- Thursday, November 27, 2025
- 4:00 - 7:00 p.m. (Dinner Break 5:00 – 5:30 p.m. – Teachers Unavailable at this time)
- No individual conference times booked ahead (***Different for Kindergarten. Please see separate Kindergarten attachment***)
- Caregivers will attend with their student at a time that is convenient that evening

PURPOSE OF THE EVENING

- Students will have the opportunity to bring their caregivers to the classrooms and share their work.
- Teachers will have the opportunity to demonstrate activities, display work, and, where necessary, explain some of the details related to your student's schoolwork and progress.
- Caregivers will have the opportunity to enjoy, ask questions, and celebrate a variety of their student's work at school.

**** Please note that this evening is meant to be a celebration of student learning. The Open House Conference format is not meant to allow for in-depth, one-to-one conversations about an individual student's learning. These deeper conversations about specific student learning should be arranged at another time that is agreeable to both teacher and caregiver.***

Thank you,

Victor Mager School Administration
