

Administration Report – September 2021

Divisional News

- Truth and Reconciliation Week – Resources to support learning
- Policy Updates and Feedback from School Communities
- Covid Case Reporting Updates from Public Health

Royals News

Orange Shirt Day events tomorrow morning for all students, including a walk in the community

- Welcomed back approximately 680 students from Grades 7 to 12.
- The Bistro in the Park and The Bistro Café are operating in full capacity for training students and for operating our cafeteria. Operation of microwaves and toasters will be in operation shortly, need to determine cleaning procedure between users and a monitoring first.
- Announcements every day completed by students to the student body.
- A new Student Leadership Council structure will be formed this year to streamline students' ability to plan and organize events.
- September 27th Inservice – further learning for National Truth and Reconciliation and time to review the SAGE (Student Advocacy for Growth and Excellence) Advocate Program to make it stronger for students.
- Volleyball Season begins; Teams at all levels and many students participating! Games will begin soon. LRSD has no spectators allowed in LRSD gymnasiums at this time.
- Hockey Season is underway. The Royals Hockey Program has begun with volunteer coaches and many players excited to return to the ice.
- Picture Day retakes on October 19th
- Important October Dates sent home to families.
- Public Health Teams will begin offering a COVID-19 MRNA to youth in schools across the province starting end of September. Students born on or before December 31, 2009, who are missing at least one dose of the COVID-19 MRNA vaccine will be eligible.
 - WPC is hosting a clinic on October 19th. This is in conjunction with Public Health, all high schools in LRSD will host clinics for Public Health. More details will come to parent and the community.
- New picnic tables on the back field are being used by students (thanks PAC and Brian Mayes) and we have new seating planned for the front of the school. Waiting for the boulders to arrive (thanks to the Kinsman Grant!)
- Our Interim Reports will be informal communication to all parents by teachers through email sent on October 8th. This is a way for teachers to communicate with parents about their children and to give a bit of information about the course work too. We won't have an Open House yet, so it's the first way "to meet".
